#### **LEGISLATIVE COUNSEL'S DIGEST**

SB 113, Calderon. Elections: presidential primary elections.

Existing law specifies that the presidential primary election be held on the first Tuesday after the first Monday in June in any year evenly divisible by the number 4. Existing law also specifies that the statewide direct primary election be held on the first Tuesday after the first Monday in June of each even-numbered year, and be consolidated with the presidential primary election in any year in which the statewide direct primary election is in a year evenly divisible by the number 4.

This bill would require that the presidential primary election be held on the first Tuesday in February in any year evenly divisible by the number 4. By increasing the duties on county elections officials due to the presidential primary election in February, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would state the intent of the Legislature to fully reimburse the counties for the costs of these new elections in an expeditious manner upon certification of those costs.

*The people of the State of California do enact as follows:*

SECTION 1. The Legislature finds and declares all of the following:

(a) California has the largest population and largest congressional delegation of any state in the union yet California's current June presidential primary election date virtually ensures the presidential nominees for the major political parties will be determined before California voters have an opportunity to cast their ballots.

(b) It is vital to restore to California voters the opportunity to vote in a presidential primary election that is timely and meaningful in choosing presidential candidates.

(c) Conducting the California presidential primary election on the first Tuesday in February will encourage presidential candidates to campaign in

California, and to debate and discuss issues and policies important to the people of California.

(d) Conducting the California presidential primary election on the first Tuesday in February will encourage voter registration, voter interest, and voter participation in the 2008 presidential primary election and subsequent presidential primary elections in California.

SEC. 2. Section 1000 of the Elections Code is amended to read:

1000. The established election dates in each year are as follows:

- (a) The second Tuesday of April in each even-numbered year.
- (b) The first Tuesday after the first Monday in March of each odd-numbered year.
- (c) The first Tuesday after the first Monday in June in each year.
- (d) The first Tuesday after the first Monday in November of each year.
- (e) The first Tuesday in February of each year evenly divisible by the number four.

SEC. 3. Section 1001 of the Elections Code is amended to read:

1001. Elections held in June and November of each even-numbered year and held the first Tuesday in February of each year evenly divisible by the number four are statewide elections and these dates are statewide election dates.

SEC. 4. Section 1201 of the Elections Code is amended to read:

1201. The statewide direct primary shall be held on the first Tuesday after the first Monday in June of each even-numbered year.

SEC. 5. Section 1202 of the Elections Code is amended to read:

1202. The presidential primary shall be held on the first Tuesday in February in any year evenly divisible by the number four, and shall not be consolidated with the statewide direct primary held in that year.

SEC. 6. It is the intent of the Legislature to fully reimburse counties for costs resulting from the presidential primary elections added by this act in an expeditious manner upon certification of those costs.
